Philippines 5335 1787	ic University of the s (Manila Branch) I loc. 322 or 287 Arts and Letters:	None	Previously there was a "crash course" or tutorial available for foreign students (Korean and Chinese) but now it was already removed. They used to offer a Korean language course since 2006 but is now defunct since the teacher who used to teach it left the department already. Also, English majors, who are required to take at least 2 language subjects in their	2006	NA	NA	Supposedl y AB English majors									
			curriculum, usually request for Spanish, Nihongo, and Mandarin, so these are the ones being offered by the department. In some years, departments (like the Sociology Department) would offer language courses like Korean but is not fixed and would only serve as an elective for that year. Currently, however, there is no department offering it.
